FSP-89 89" Floor Model Reversible Dough Sheeter with Roller Pin, Painted Steel Base - 120V

FEATURES

- Stainless steel construction
- Heavy-duty usage
- Fixed conveyor speed
- Manual roller adjustments
- Preset roller thickness control
- Foldable tables for space saving storage
- Retractable end tables
- Safety features
- Floor model

Streamline dough preparation tasks in your commercial kitchen with the Prepline dough sheeter machine. This sheeter is ideal for bakeries, restaurants, pizzerias, and hotels because it quickly churns out inch after inch of dough for pasta, wraps, pizza and baked goods. This is a 3/4 HP reversible floor model dough sheeter. It comes with stainless steel rollers that are adjustable to support dough thickness between the 1mm and 40mm range. Get more value with the Prepline food service dough sheeter that is built for durability and reliability.

• CE Certified
